

Computer Science (PhD Degree)
General Information about Program

Program Objectives

The objective of the Ph.D. in Computer Science at Özyeğin University is to train computer scientists who will either continue with an academic carrier, propose new R&D projects, lead research teams in industry or start their own software/hardware companies to turn innovative ideas into products, make significant contributions to the state-of-the-art, and disseminate scholarly work in scientific conferences and journals.

Qualification Awarded

Doctorate

Level of Qualification

QF-EHEA: 3
EQF-LLL: 8

Provisions for Registration

The conditions to apply for the PhD are defined in the requirements and regulations which are specified in "Özyeğin University Rules and Regulations for Graduate Programs " and Özyeğin University Directives on Graduate Program Admissions. Applicants must be either graduates of an undergraduate or a master's program.

Qualification Requirements and Regulations

This degree is awarded to students who have successfully completed the required and elective courses in the curriculum, passed the Ph.D. Qualification Exam and completed a Ph.D. Dissertation, earning 180 ECTS for the Ph.D. (with master's degree) and 240 ECTS for the Ph.D. (with undergraduate degree), and have a Cumulative Grade Point Average of at least 3.00 on a 4.00 scale.

Specific Arrangements for Recognition of Prior Learning

Depending on the degrees awarded, courses taken as part of a degree (completed or not completed) may lead to recognition of these as prior learning by the program. The students who have taken courses in another institution in Turkey or abroad can ask for credit and grade transfer. The executive boards of relevant program will decide on the courses to be transferred.

Examination Regulations, Assessment and Grading

Evaluation and assessment methods for each course are defined in the 'Course Description Form' by the lecturer of course. These requirements and regulations are specified in the relevant articles of the "[Özyeğin University Rules and Regulations for Graduate Programs](#) "

Education Type

Full Time Education

Graduation Requirements

This degree is awarded to students who have successfully completed the required and elective courses in the curriculum and a master's thesis (thesis-option) or a project (non-thesis option), earning 90 ECTS in the non-thesis option and 120 ECTS with the thesis, and have a Cumulative Grade Point Average of at least 3.00 on a 4.00 scale.

Occupational Profiles of Graduates

Psychologists who successfully complete the Master's Program in Psychology with the concentration in Applied Developmental Psychology without thesis can work as practitioners and students who graduate from the program with thesis may go on to doctoral education.

Access to Further Studies

QF-EHEA: 3
EQF-LLL: 8
